

HELLA 922100822 S90 Electric Horn (High Tone)

Part Number - 922.100-822

MRP : INR 365

Details

HELLA has more than 100 years of experience in manufacturing high-quality acoustic devices and ensure a pleasant & harmonic sound. We work with vehicle manufacturers so you can rest assured that your horns feature state-of-the-art and the best technologies.
The quality of horns is not easy for people to gauge. HELLA quality isn't just seen, it's also heard: our specialized experience in developing horns and air trumpet horns complies with strict ECE and OEM requirements, both in applications for two wheeler, passenger cars and commercial vehicles. Our manufacturing plant HELLA India Automotive (HIA) is fully committed to research and development as well as showing a strict adherence to quality manufacturing.

For various vehicle applications, HELLA provides recommendations on how to choose the right product. You can find details in the product page. HELLA recommends mounting a horns in pair to replace the vehicle's horn.
Volume : This is one of the main key performance indicators for a horn's characteristics. HELLA has a wide product range of horns in the volume range of 108 dB(A) to 118dB(A)
Functional Principle : Horns are powered by the battery current signal, which is commonly handled by a voltage pulse sent from the steering wheel. The current signal is transferred to a relay, which transmits the entire control current, preventing voltage drops. As the horn is powered by the electric current, it forms a magnetic field, which attracts a metal core together with a steel diaphragm. This attraction causes vibrations, which are transformed by varying resonances in order to gain low or high tones.
Nominal Voltage : (1) 7 - 12 V: for automotive vehicles, agricultural machinery, construction machinery, etc. (2) 7 - 24 V: for commercial vehicles, buses, municipal vehicles, etc.

Features

Application	Universal-Sealed
Diameter (mm)	90
Rated Voltage	12V
Current	Max 3.5 Amp
Frequency	420 Hz
Sound	108 to 118 dB (A)

Warranty

Warranty Description:-	6 months from the date of sale or 9 months from the date of manufacturing which ever is earlier.
