HELLA is a listed, internationally positioned automotive supplier operating under the umbrella brand FORVIA. Within this de facto group, HELLA stands for high-performance lighting technology and automotive electronics, At the same time, the company covers a broad service and product portfolio for the spare parts and workshop business as well as for manufacturers of special-purpose vehicles with its Lifecycle Solutions business group.

EVERYTHING WE DO REVOLVES AROUND OUR CUSTOMERS.

In order to ensure that business runs smoothly, HELLA supports wholesalers and workshops with its extensive know-how and many years of experience.

Because we realise that your day-to-day business is already complex enough as it is. As a partner to the wholesalers and as the workshop's friend, we see it quite naturally as our job to make this as simple as possible for you.

The result is that you can plan and carry out your work processes more quickly and more profitably

PARTNER TO THE WHOLESALERS

HELLA is a reliable partner to the wholesalers that flexibly responds to customer requests, makes an impression with high-quality products and maximum availability, and thereby speeds up and simplifies business - for more efficiency.

As a partner to the wholesalers, HELLA prioritises solution-oriented and reliable collaboration. We achieve this through fast and customer oriented service in all matters through highly skilled on-site contacts, whose objective is to accelerate and simplify wholesale business through maximum flexibility and speed. Our success factor is that we are close to our customers - not only geographically, but also in our thinking - through sales companies around the globe.

THE WORKSHOP'S FRIEND.

HELLA is the workshop's friend, combining OE expertise and technical know-how to make day-to-day business faster, more profitable and future-proof. As the workshop's friend, HELLA aims to provide our customers with optimum support for everyday workshop conditions.

Our technical expertise enables fast and solution-oriented service in all technical questions concerning our products. We treat workshops as equals because we understand them and, thanks to our proximity to the market, can also provide them with fast and competent support.

INNOVATIVE POWER, EXPERTISE AND CREATIVE

nnovative Power, Expertise and Creative HELLA has been shaping the future for more than 100 years. As a key innovation driver, the company has been developing and manufacturing lighting and electronic components and systems for the automotive industry. HELLA ranks among the top 50 automotive parts suppliers in the world. With strong global presence at 100 locations in more than 35 countries, HELLA supplies to the automotive aftermarket and garages with comprehensive and continually expanding automotive parts, accessories, diagnostics and services.

The HELLA brand is synonymous with proven quality and innovative automotive technology. The basis behind HELLA's success lies in its constant pursuit for innovations and design improvements, and constantly creating value to the future of motor vehicles. As a leading partner of top vehicle manufacturers, HELLA is committed on innovative quality products to make the roads safer for drivers
