FULL RANGE OF HIGH QUALITY 2-WHEELER PRODUCTS

Headlamps | Bulbs | Spark Plugs | Horns | Filters Lubricants & Brake Fluid | Electric/Electronics & Switches HELLA is a listed, internationally positioned automotive supplier operating under the umbrella brand FORVIA. Within this de facto group, HELLA stands for high-performance lighting technology and automotive electronics, At the same time, the company covers a broad service and product portfolio for the spare parts and workshop business as well as for manufacturers of special-purpose vehicles with its Lifecycle Solutions business group.

EVERYTHING WE DO REVOLVES AROUND OUR CUSTOMERS.

In order to ensure that business runs smoothly, HELLA supports wholesalers and workshops with its extensive know-how and many years of experience.

Because we realise that your day-to-day business is already complex enough as it is. As a partner to the wholesalers and as the workshop's friend, we see it quite naturally as our job to make this as simple as possible for you.

The result is that you can plan and carry out your work processes more quickly and more profitably

PARTNER TO THE WHOLESALERS

HELLA is a reliable partner to the wholesalers that flexibly responds to customer requests, makes an impression with high-quality products and maximum availability, and thereby speeds up and simplifies business -for more efficiency.

As a partner to the wholesalers, HELLA prioritises solution-oriented and reliable collaboration. We achieve this through fast and customer oriented service in all matters through highly skilled on-site contacts, whose objective is to accelerate and simplify wholesale business through maximum flexibility and speed. Our success factor is that we are close to our customers - not only geographically, but also in our thinking - through salescompanies around the globe.

THE WORKSHOP'S FRIEND.

HELLA is the workshop's friend, combining OE expertise and technical know-how to make day-to-day business faster, more profitable and future-proof. As the workshop's friend, HELLA aims to provide our customers with optimum support for everyday workshop conditions.

Our technical expertise enables fast and solutionoriented service in all technical questions concerning our products. We treat workshops as equals because we understand them and, thanks to our proximity to the market, can also provide them with fast and competent support.

WHY ARE WE VALUED

Emphatically demanding more road safety is one thing, but committing your everyday business to practical measures that make our roads a little safer each day is something else. For example, with innovative products that are inspected, tested and tried according to the most stringent requirements before being introduced to the market.

We do our utmost to bolster the competitiveness of our partners in a dynamic market environment. Our customers can rely on not having their expectations dashed. In addition, to help our customers continuously expand their freedom of action and make better use of their market opportunities, we not only guarantee them OE expertise, top quality and an excellent product range, but also offer them professional service with outstanding logistics and professional sales support.
