EXECUTIVE DIRECTOR

Dear All

I hope this message finds you in good health and high spirits. As we approach the close of another fruitful year, I wanted to take a moment to express my deepest gratitude for your unwavering support, dedication, and commitment to HELLA. Your trust and collaboration have been the cornerstone of our success, and I am truly delighted to have you as our partner.

As part of the Forvia family, we have embraced our core values of Drive, Accountability, Teamwork, Agility, Respect, and Open-mindedness.

These values have guided us constantly in the way we interact with partners, customers, employees and other stakeholders.

In 2023, we embarked on a journey filled with innovation, collaboration, and shared achievements, embracing the theme of 'Growth Uninterrupted.' Our presence at the Auto Expo in January set the tone for the year, expanding our reach and showcasing the breadth of our products. The enthusiasm and positive feedback we received from our partners, distributors, retailers, and mechanics was truly heartening.

Our commitment to excellence was further demonstrated through events like the ACMA Automotive Aftermarket Expo in Coimbatore, the Madurai Auto Expo, Retailer Meets in Bikaner, Alwar, Udaipur, and Jodhpur as well as several Mechanic Meets. These gatherings not only allowed us to explore emerging trends but also strengthened our relationships, paving the way for new avenues of growth and success.

I am particularly proud to share that in response to the invaluable feedback from our esteemed retailers and workshop partners, we introduced new products that resonate with customer needs and preferences.

Your insights have been instrumental in shaping our offerings, ensuring that we meet your requirements effectively and exceed your expectations.

We are also delighted to announce the success of the HELLA Value Partner Meet held in Pushkar, Rajasthan. This two-day event was a testament to our shared commitment to growth and excellence. It not only discussed collaborative visions and strategic roadmaps but also set the tone for the year ahead. Dynamic team-building activities engaged and energised everyone, inspiring us to strive for even greater accomplishments in the upcoming year.

Additionally, we opened 25+ new HELLA Quick Car Service Centres across the country, marking a significant milestone in our relentless pursuit of elevating industry standards.

This expansion signifies our dedication to providing top-notch automotive services and our commitment to achieving unparalleled heights in the coming years, alongside influential industry leaders who stand by our side.

Our initiatives such as Driver's Day and the #SpiritOfIndependence campaign underscore our commitment to celebrating the unsung heroes of our roads and fostering connections that go beyond borders and languages.

Your enthusiastic participation and engagement have been truly inspiring, reaffirming our belief in the power of shared values and emotions. These efforts have been amplified through our social media channels, where we continue to reach new audiences, spreading the message of unity and positivity.

Looking ahead to 2024, our roadmap is brimming with exciting opportunities and challenges. Together, I am confident that we will scale new heights, surpassing all expectations and setting new benchmarks for excellence. As we move forward, let us continue to lead by example, honouring our commitments, fostering transparency, and nurturing the mutual growth of our businesses.

Once again, thank you for your invaluable partnership and unwavering support. Here's to a future filled with shared successes, collaborative endeavours, and lasting friendships. Together, we will continue to illuminate the path toward a brighter, connected, and prosperous automotive industry.

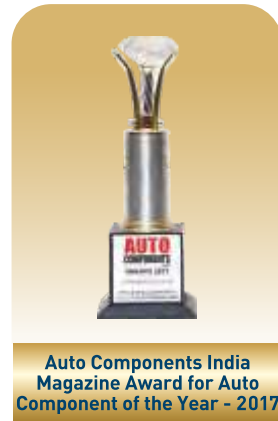

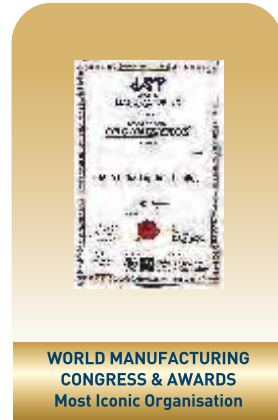

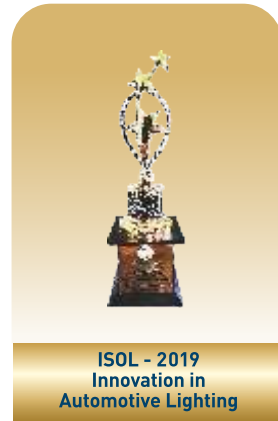

Anandhan Venugopal

Executive Director and Head - Aftermarket,
HELLA India Lighting Limited.

Awards & Recognition

Industry recognition to HELLA's commitment towards Quality & Innovation

HR INITIATIVES

Life at HELLA

Holi Celebration

A vibrant celebration of togetherness

The Holi celebration held at our corporate office was not only a respite from our busy work schedules but also a beautiful reminder of the importance of togetherness and cultural diversity in the workplace. It was a day filled with vibrant hues, boundless happiness, and delectable cuisine that brought our team closer together and left us with cherished memories of this lively festival.

International Women's Day

Acknowledging the valuable contributions of women in the organisation

The Women's Day celebration was a powerful and inspiring event, serving as a poignant reminder of the importance of embracing diversity and fostering inclusion. The day was celebrated by giving small gifts and tokens of appreciation to the women in our team, acknowledging their invaluable roles and contributions to our organisation.

FORVIA DAY

FORVIA's first anniversary celebrated with joy across locations

To commemorate FORVIA's first anniversary, FORVIA Day was joyously observed on February 7th at all HELLA locations. This special occasion allowed us to reflect on FORVIA's inaugural year and rejoice in the remarkable

milestones attained during that time. The festivities included a cake-cutting ceremony and the arrangement of a special luncheon at both our corporate office and the Gurugram warehouse.

Earth Day

Committed to a cleaner and more sustainable world

As an organisation dedicated to reducing our impact on Earth's resources, HELLA marked Earth Day in a meaningful manner on April 24th. We urged everyone to wear blue or green attire as a symbol of our dedication to environmental consciousness. Additionally, we hosted a painting competition for the children of our employees, whose artworks beautifully conveyed their affection for nature and their grasp of the significance of preserving our planet.

Yoga Day

Integrating the benefits of Yoga to our work routine

Our Yoga Day celebration was unique as we introduced the concept of "Chair Yoga" to improve employee well-being, even amidst hectic workdays. Chair Yoga incorporates simple yet effective yoga exercises and stretches that could be practiced without having to step away from one's desk. This initiative served as a valuable reminder that adopting small, mindful practices can significantly impact our physical and mental well-being, ultimately improving our overall work-life balance.

Life at HELLA

Intra Sports Week

Saluting the wonderful blend of talent and togetherness

Our Intra Sports Week provided great opportunity for our employees to come together, unwind, and engage in friendly competition. The event featured a variety of indoor games, including Carom, Chess, Ludo, and Musical Chairs, which allowed participants to showcase their skills and teamwork.

The atmosphere was filled with excitement as employees gathered to compete in these classic games. While winners were applauded, the efforts of every participant were recognised and celebrated. Overall, the event not only encouraged teamwork and healthy competition but also provided a refreshing break from our daily work routines.

World Environment Week

Fostering a sustainable and greener future

This year's Environment Week was a holistic and enriching experience for our organisation. The week began with a meaningful tree planting activity symbolising our commitment to a greener future. On Environment Day, we hosted engaging online quizzes for our employees, fostering education and interaction. We also organised a drawing competition for our employees' children, where young talents expressed their passion for nature and their vision of a greener world through colourful artworks. To deepen our connection with the environment, a Spiritual Session was held, allowing our team to contemplate our role as Earth's stewards. Overall, our Environment Week celebration was a harmonious blend of action, education, creativity, and spirituality, demonstrating our dedication to a healthier planet and a more sustainable future.

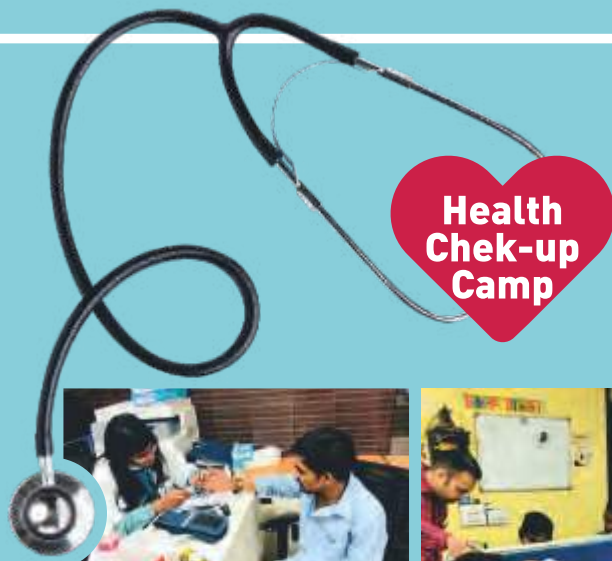

Independence Day

Unity and patriotism marked a fun-filled day

Just like in previous years, our office celebrated Independence Day with great enthusiasm. During this special occasion, we not only honoured our nation's freedom but also celebrated the strong bonds that unite us as a community. Our office was beautifully decorated with tri-color balloons, creating an atmosphere filled with pride and excitement. Various patriotic-themed games were organised, and delicious snacks and beverages were served, adding to the enjoyment of the day.

Life at HELLA

Prioritising employee health and well-being

We prioritised the well-being of our employees by organising a comprehensive health check-up program at both our corporate office and warehouse locations. Employees had the opportunity to undergo a thorough health assessment, including vital signs, blood tests, and other important health metrics. It is part of our ongoing efforts to create a supportive and nurturing work environment that values the health and happiness of our team members.

Power of One

Individually we are one drop. Together we are an ocean.

Our team-building event at The Kikar Lodge in Punjab centered around the theme 'Power of One.'

Over two enriching days, every HELLA employee actively engaged in games and meaningful discussions on the value of togetherness. This unique opportunity strengthened their connections, resulting

in a truly enjoyable and enlightening experience.

Mr. Anandhan Venugopal, Executive Director & Head Aftermarket (HIL), shared his valuable insights on unity and collaboration, underlining their significance in achieving success. It was a remarkable event that brought the HELLA team closer together.

Auto Expo 2023 - Components 12-15 Jan, Pragati Maidan, New Delhi

We participated.
We showcased.
We excelled.

Scan QR Code to watch video

HELLA India Lighting Limited (IAM) showcased an impressive exhibit at AutoExpo 2023, featuring a larger-than-life lubricant bottle for oil and lube displays, products submerged in an aquarium to demonstrate ingress protection, a truck facia showcasing our lighting range, and more. Dr. Nima Mehrdadi, (Vice President Aftermarket Middle East, Africa, Central Asia & India, Managing Director, HELLA Middle East FZE/LLC), inaugurated the event in the presence of Mr. Anandhan Venugopal, Executive Director & Head Aftermarket (HIL). The HELLA stall played perfect host to more than 1000 mechanics and business partners from all over the nation. Visitors were impressed by the diverse product range and cutting-edge safety technology showcased.

Marketing Initiatives

Annual Sales Conference

Igniting aspirations for greater successes

Collaborative teamwork, fueled by unwavering enthusiasm, is the cornerstone of achieving exceptional results. The Annual Sales Conference was meticulously orchestrated to unite the team's efforts and drive HELLA India Lighting Limited (IAM) to new heights. The event featured insightful presentations, future-oriented

visions, and strategic roadmaps, setting the tone for the year ahead. Simultaneously, dynamic team-building activities engaged and energised everyone. Outstanding achievements were applauded and rewarded; inspiring everyone to strive for even greater accomplishments in the upcoming year.

HELLA Value Partner Meet

Setting the stage for unprecedented growth

When your partners and stakeholders are aligned with your business objectives, it amplifies the outcomes. Keeping this in focus, HELLA organised a two-day meeting with its Value Partners in Pushkar, Rajasthan. The event not only discussed collaborative

achievements and future plans, setting the stage for new avenues of growth and success, but also served as an occasion to strengthen bonds with our partners and acknowledge their remarkable contributions and achievements.

Marketing Initiatives

ACMA Automotive Aftermarket Expo - Coimbatore 2 - 3 September 2023

Visitors explore trends and innovations with HELLA

Our presence at the exposition was a resounding success, attracting large crowds eager to explore the trends and innovations that are synonymous with HELLA. Mr. Kranthi Kumar Pati, District Collector of Coimbatore, inaugurated our booth in the presence of

Mr. Anandhan Venugopal, Executive Director and Head - Aftermarket, HELLA India Lighting Limited. The enthusiastic reception from our valued business partners who visited our booth has been incredibly rewarding.

Auto Expo Madurai - 30 September - 2 October 2023

Showcasing our excellence in the southern region

The Madurai Auto Expo served as an invaluable stage for presenting HELLA's extensive range of automotive components and provided attendees the opportunity to familiarise themselves

with state-of-the-art automotive innovations. The HELLA stall welcomed numerous visitors, including distributors, retailers and mechanics from the region.

Social Media Campaigns

Connect, like and share!

Driver's Day

This year, HELLA kept the good vibes going by expressing appreciation for our awesome drivers. On September 17, 2023, we celebrated Driver's

Day with the theme #EkSalaamUnkeNaam. Social media lit up with over 2 million people joining in this campaign!

Social Media Campaigns

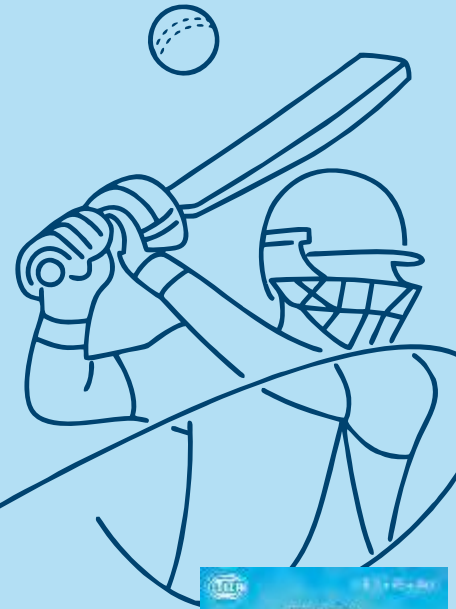

Independence Day

On Independence Day, HELLA's #SpiritOfIndependence digital campaign asked people - What does independence mean to you?

The campaign reached almost a million people and garnered 600 heartfelt responses, showcasing diverse perspectives on freedom. This initiative reminds us that the Spirit of Independence knows no borders and unites us all. HELLA is committed to fostering these connections and celebrating our shared values.

Social Media Campaigns

HELLA Premier League

As IPL 2023 began, HELLA got into the game with a spirited brand campaign, tapping into cricket fever and showcasing our brand attributes in a creative way. The result was fantastic, and we're bowled over by the response!

Road Safety

As an automotive company, HELLA knows the value of safe driving. That's why we launched #ResponsibleFriday, a campaign to remind everyone to follow rules and stay safe on the road. Let's drive responsibly and make our roads safer together!

Social Media Campaigns

Summer

This summer, HELLA's Car Tales campaign let cars share their stories. It was super cool and informative, garnering amazing response on social media.

Monsoon

8 Great Tips To Enjoy Monsoon is all that a person needs for a safe ride on the road. These simple tips aimed to make the monsoon safer and more enjoyable for everyone behind the wheel.

Social Media Campaigns

Auto Expo 2023 - Components

Our digital platforms featured extensive promotion and coverage of the AutoExpo, aligning with the event's magnitude and significance. We initiated the buzz surrounding our participation in the event right from the beginning of the year, seamlessly blending New Year's

greetings with AutoExpo promotion. Throughout the event, we regularly shared images of visitors to our booth, significantly enhancing our online visibility and obtaining valuable reach.

Social Media Campaigns

New Launch

HELLA is committed to providing best-in-class products every time, and our mantra is Innovation, Style, and Performance. Our newly launched products are designed to exemplify these principles, delivering cutting-edge innovation, stunning style, and unparalleled performance.

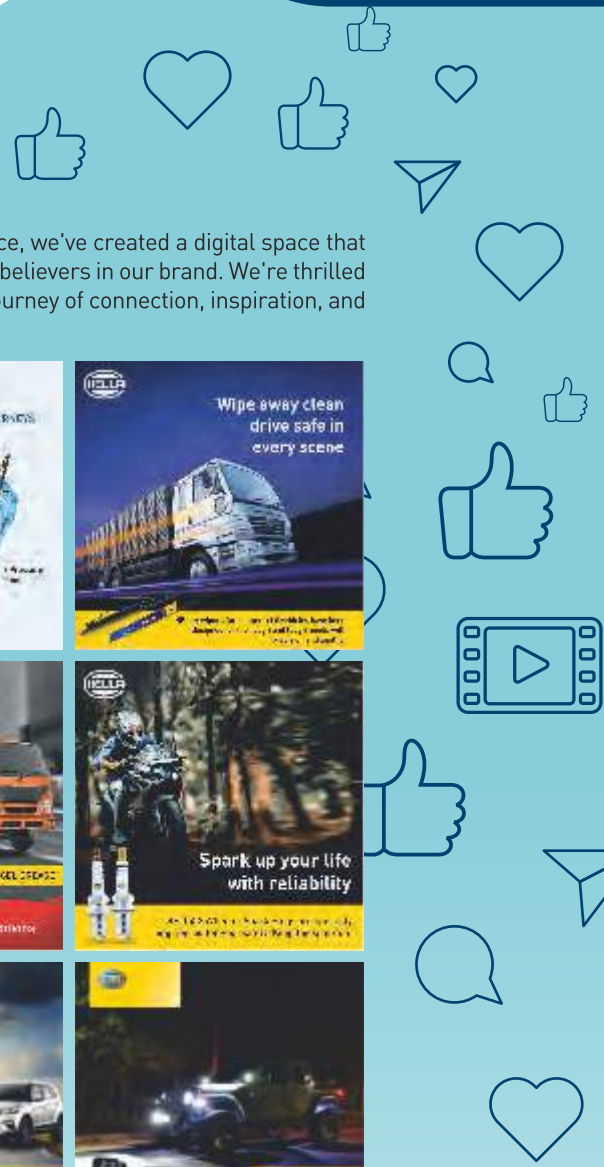

Topical Posts

Sending festive and topical greetings on social media has become a way of life for us, helping us stay connected with our customers regularly. In India, where festivals abound, we have leveraged multiple opportunities to maintain our precious bond with our audiences.

Social Media Campaigns

Product Specific Posts

With engaging content, timely updates, and a genuine connection with our audience, we've created a digital space that truly resonates. It's all about building a community of enthusiasts, innovators, and believers in our brand. We're thrilled that our efforts are appreciated, and we're committed to continuing this exciting journey of connection, inspiration, and excellence. Thank you for being a part of our incredible online family!

TECHNICAL SERVICES

HELLA Quick Car Service

HELLA has opened a network of 42 HELLA Quick Car Service (HQS) garages till August 2023, in association with workshop partners across India. HELLA is providing automotive products, product knowledge, branding support, technician uniforms and shirts, and promotion support across HELLA social media to these workshops. We are currently present in Delhi, Gurgaon, Dhankot, Sonipat,

Ambala, Betun, Gondia, Deesa, Indore, Kolhapur, Pune, Rajkot, Ahmedabad, Raipur, Hoshangabad, Namakkal, Vijayawada, Udumalpet, Chennai, Bhimavaram, Hosur, Kottayam, Bangalore, Guntur, Jamkhandi, Machilipatanam, Hugli, Guwahati, Shillong, Dhanbad, Kolkata and Malda.

HELLA Quick Car Service

HELLA Initiatives

HELLA field promotional activities

We have conducted 150 field promotional activities in the year 2023 till August month in the form of mechanic meets, product promotion campaign at retail point and product promotion

campaign at workshop end. Through these activities we are able to impart the trending and technical knowledge about HELLA products to mechanics, retailer staff and workshop staff.

Technician training and certifications/ Rise of Technicians

In the year 2022-2023, HELLA, in association with Prayaas, has trained and assessed 10 batches of technicians comprising a total of 174 technicians from Razole, Rajahmundry and Gopalganj training centres. The training consisted of 45 days theoretical in-class training and 45 days practical trainings at automobile workshops. After the completion of training the candidates were assessed based on ASDC e-learning modules and were placed in OEM service centers.

WAREHOUSING

Warehousing

New Warehouse Inauguration - HELLA India Lighting Limited (IAM)

On September 20th, 2023, HELLA India Lighting Limited celebrated a momentous day with the Warehouse Inauguration at Alipur, Gurugram, Haryana.

Esteemed guests, Dr. Nima Mehrdadi (Vice President, Aftermarket Middle East, Africa, Central Asia & India, Managing Director, HELLA Middle East FZE/LLC), Mr. Sebastian Sprenger (Director - Logistics Aftermarket Sales Companies), and Mr. Anandhan Venugopal (Executive Director & Head Aftermarket, HIL), graced this special occasion.

The highlight was the unveiling of our new, cutting-edge warehouse, showcasing our commitment to innovation. Equipped with modern facilities, it promises to enhance our services.

We held a respectful puja ceremony, paying homage to our roots and heritage, followed by insightful discussions on future endeavours.

In recognition of their dedication, we honoured our hardworking team members with long service awards. Their unwavering support has been invaluable.
